# LIFE AT

## EXCEPTIONAL LIVING CENTER OF BRAZIL

Exceptional Living Center of Brazil is a Medicare/Medicaid certified facility. Our professional staff provides continuous care to help and encourage our residents to maintain the highest possible level of independence.

Exceptional Living Center of Brazil is a not-for-profit facility. This means that we are able to place more emphasis on making our "home" a better and more enjoyable place for our residents.

We take the time to assess each individual's specific needs before admission to our facility to make sure we can meet those needs and provide the best rehabilitation possible. We then develop the most appropriate plan of care for each resident and place each individual with someone who is most compatible.

## 24-Hour Care

### QUALITY, COMPREHENSIVE, NURSING CARE

Exceptional Living Center of Brazil is a full-service nursing facility offering rehabilitative care, long term care and skilled nursing.

Nursing care is provided for those recovering from an illness or injury, or those requiring 24-hour quality care. We deliver the most comprehensive care available by providing for the physical, emotional, spiritual and social needs of our residents.

### OUR NURSING CARE RESIDENTS RECEIVE THE FOLLOWING SERVICES AND AMENITIES:

- 24-hour nursing staff
- Medication management
- Speech, occupational and physical therapy
- Family-oriented dining room
- Beauty salon and barber shop
- Social, recreational and spiritual programs
- Secure memory care village
- Clean, home-like environment
- Individualized care plans
- Specialized, highly trained staff
- Diabetic management

# THERAPY

## SERVICES

Our short-term rehabilitation suites offer accommodations for those recovering from hospital stays or illness. The suites are equipped with private bathrooms, family seating area, flat screen televisions, telephones, suite lounge and state-of-the-art therapy equipment.

### OUR RESIDENTS RECEIVE THE FOLLOWING SERVICES AND AMENITIES:

- Physical, occupational, respiratory and speech therapy
- Wound care
- Restorative nursing
- Outpatient therapy available

# MULTI-SENSORY

## CARE PROGRAMS

Our multi-sensory stimulation program was developed to ensure our residents with disabilities or other limited conditions are in an environment that provides pleasant sounds, music, fascinating light displays, appealing aromas and contrasting textures – all designed to stimulate the primary senses and induce feelings of peace and relaxation.

# RESTORATIVE

## THERAPIES

The goal of restorative therapy is to enhance the life of each resident with a personal program to bring them to the fullest level of recovery and promote the highest level of independence possible. Our philosophy advocates treating the whole person and affirming the dignity of each individual.

### RESTORATIVE THERAPIES:

- Physical, occupational and speech therapy
- Wound care
- Restorative nursing
- Contracture therapy
- Fall prevention therapy

# LIFESTYLE

## CHOICES

Exceptional Living Center of Brazil offers individual services and distinct lifestyle choices to meet the needs of seniors. Individuals may enter our community throughout various stages of life. They may choose respite care, or relief for caregiver stays; skilled nursing care or specialized care including Alzheimer's care in our Village Memory Care Neighborhood.

Admissions are accepted 24 hours a day, seven days a week.
